

JOINT PRESS RELEASE

The Cypriot airports support Europa Dona

Hermes Airports, CTC-ARI the company which operates the stores at the Cypriot airports and Cyprus Airports F&B the company that operates the cafes and restaurants, actively support “*Europa Donna Cyprus*” and its efforts to inform the public about breast cancer prevention methods.

Among the initiatives undertaken during October; the month dedicated to the campaign for the prevention of breast cancer, the three companies co-organized an amateur Futsal football league in which employees from the airport community had the opportunity to participate, aiming to the economic strengthening of “*Europa Donna Cyprus*”.

Besides the teams representing the three companies, teams from the Larnaka Airport Police and Security department, Immigration, private security company G4S, ground handling company LGS and CHAPO, have also participated in the event.

The organizers of the event wish to express their warm thanks to everyone who participated in this charity event, as well as the Cyprus Football Association for its support and assignment of the referees for the games, Kapnos shuttle bus company for providing the free transportation of both the players and the employees of Larnaka airport, and the operators of the Futsal courts in Kamares Larnaka for their courtesy in providing their fields free of charge.

All the revenues generated from the event will be handed over to “*Europa Donna Cyprus*” in order to strengthen its excellent work and mission.
