Both Cypriots wishing to visit Vienna, as well as tourists who wish to visit Cyprus can now take advantage of a worthwhile, affordable and quality option. We welcome NIKI and we are sure that the traveling public will be thrilled with both the affordable prices and the high level of service provided, as well as with the multiple options for connecting flights offered by airberlin and NIKI's network through Vienna Airport. "

We would like to remind the public that NIKI routes to and from Cyprus, begin in January 2014 with flights from Larnaka to Vienna (Austria). Specifically, the new NIKI route will commence operating on Friday, 31 January 2014 and will include two scheduled flights a week. The flights will take place on Mondays and Saturdays.
