### **Qatar Airways announces flights to Cyprus**

Hermes Airports is delighted to welcome Qatar Airways' decision to start routes to and from Cyprus. More specifically, Qatar Airways will operate four flights a week with an Airbus A320, connecting Larnaka with Doha, the capital of Qatar.

Qatar Airways' operation to and from Cyprus will commence on 29 April 2014. Commenting on the announcement of Qatar Airways' flights, the Senior Marketing Manager of Hermes Airports, Mrs Maria Kouroupi stated: "We welcome Qatar Airways to Cyprus. We are very happy with the airline's decision and we look forward to working with them to make this operation a success. We are certain that the travelling public will appreciate and take advantage of the high quality of services and the unique offers of Qatar Airways».

In a relevant announcement Qatar Airways stated: "Larnaka is a very special destination for Qatar Airways. We are really pleased that it is included in our flight schedule as a regular route. We remain focused on our goal to offer the travelling public more choices for very unique destinations. We welcome the Mediterranean city of Larnaka into our airline's network."
